

Monthly Newsletter — December 2008

Notice from Herman

Last month was pretty exciting. Johan Buchner wrote a fantastic [article](#) about the Bugatti Atlantics, which gave me quite some feedback. Everyone reacted very positively. Thank you Johan, and thank you all, that have sent in your reactions. Furthermore I have finally managed to install a decent program for visitor logging, which gives me a nice view on what is happening. I have been shifting around a bit with the architecture of the website. If you are trying to find a webpage that does not exist anymore, try going back to the [homepage](#), and try from there.

Oh, and one other thing: **Merry Christmas and a happy 2008 !!**

Thread of the month

Recommended reading is the report on building the "Kelsey replica". William Kelsey is doing a great job creating a car, as similar as possible to a Bugatti type 35. There is quite some discussion on all technical aspects of the car. [Click here to enter the thread.](#)

Featured products

Alexander Kuhlmann produced one of the nicest calendars I have come across. The twelve fantastic photos are mounted to a wooden baseplate (approx 45x45 cm) by means of the typical "Bugatti type" butterfly screws, which looks stunning. Also supplied is a passe-partout, which covers the calendar part nicely, so even after 2008 it will be an eye-catching object on your wall. The calendars are individually numbered, and there is only a limited supply available.

Price for the calendar is 80 euros.

Also make a great Christmas gift!

Upcoming events

11-13 Januari 2008

Interclassics and Top Mobiel Maastricht, Netherlands ([website](#))

A very nice and compact show, which is great for the Bugatti enthousiast. The pivot of the show is the "living room" stand of *Jean Prick*, who always brings some nice Bugattis. The rest is always a surprise, but I have never been disappointed by this show. I will be there on Sunday. If you are there as well on Sunday, [drop me an E-mail](#), and perhaps we could catch up with eachother.

8-17 Februari 2008

Retromobile & Bugatti 100P Conference Paris, France ([website](#))

Our dear friend Jaap Horst will speak on the "Bugatti 100P Revival Project Conference" This will be the 16th of Februari 2008, in Paris, at the Retromobile show. Subjects: History of the airplane, and current projects for building a flying replica. The Retromobile show is worth every effort to visit. Numerous Bugattis are present, as well as all kinds of Bugattiana and models.

The chassis number quiz

On the photo server I still have a large number of unidentified Bugattis. If you know the chassis number to one of the following cars, please [let me know](#).
